YEARBOOK STAFF

OF
BRUNSWICK HIGH SCHOOL

BRUNSWICK, OHIO

1959-1960

FOREWORD

We, the Brunswick High School yearbook staff, have endeavored to present to the students of this high school a lasting record of their many memories of the 1959-1960 school year. It is our sincere hope that, in years to come, this book will enable each student to relive many of the events of this year; some were happy, some were sad, but they all made up a year to be remembered. We want to extend our many thanks to all who helped to make our yearbook a success.

BRUNSWICK HIGH SCHOOL

ALMA MATER

" In mem'ry of the years gone by
We sing our praise to thee.
Our loyalty to Brunswick High
Shall live eternally.

And when these days have finally gone,
And friends are far from sight,
Our hearts will all resound in cheer
For the Brunswick Blue and White."

DEDICATION

We, the Brunswick High School yearbook staff, gladly dedicate this 1960 Devilog to Miss Leona Lee Marra. She has rendered outstanding services both in and out of the classroom. We are particularly grateful for the extra work she has put in to make her classes more interesting and enlightening. We thank her, too, for the time and effort she has freely given in helping us with the many problems inherent in growing up.

These are scenes of part of the new construction that has been going on at Brunswick High School. In addition to the new Applewood Elementary School and additions to the Center Elementary School, state funds have made possible additions to the high school. Among these are science laboratories, classrooms, and a badly-needed gymnasium, of which we are perhaps the proudest.

Brunswick's mighty offensive line! Left to right: Norman Thomas, John Sestina, Gary Wilkinson, Russ Petchler, Norman Westphal.

The Brunswick football Blue Devils ended the 1959 season on a victorious note. The overall record, however, was only one out of eight. This, unfortunately, does not give a true picture of the Team's performances during the past year. From two to ten points were the margins of victory in five out of the first six games. An interesting sidelight is the fact that going into the last game, the Buckeye Bucks were favored by all to win. Brunswick then promptly ruined the Bucks bid for an even season by defeating them 14-6. The previous season the same situation had presented itself.

The 1959-60 Brunswick basketball Blue Devils, although winning only five of eighteen games, had one of their most promising and rewarding seasons. The varsity squad lost only John Sestina and Norman Thomas, who were seniors. Clark Sheeley, who was seated on the top All-County team, while Don Kiene and Ray Gillissie each received an honorable mention in the All-County team. Four of the five starters will be returning next season. Coach Ed Wilson hopes for a better season in 1960-61.
